**Samastha Kerala Jamiathul Ulema's**
**Memorandum to Your Excellency President of India**

We, the undersigned, the followers of Samastha Kerala Jamiathul Ulema (Estd. In 1925), are appealing to your Excellency President of India to withdraw the Muslim Women (Protection of Rights on Marriage) Ordinance 2018, which was promulgated on 19. 09. 2018 as it will cause more damage to the Muslim community in India. The fundamental rights of Muslims in India are being trampled by criminalizing the Triple Talaq by this ordinance. Hence your Excellency is hereby humbly requested to withdraw this ordinance immediately.

And also we express our regret on the verdicts of Supreme Court in the matter of the essentiality of mosque for the prayer, consensual adult gay sex and the adultery.

With Regards
